

Question 1 : Is your household in Beighton or Moulton St. Mary?

Beighton	53	80.30%
Moulton St. Mary	13	19.70%

Question 2 : How many people currently live in your household?

People	Households	% Households
1	12	18.18%
2	32	48.48%
3	6	9.09%
4	12	18.18%
5	3	4.55%
6 or more	1	1.52%

Question 3 : What are their ages? Select the number of people (column) in each age group (row).

	1	2	3	4	Total Households	% Households
4 & under	4	1	0	0	5	4.85%
5-10	4	1	0	0	5	4.85%
11-18	8	4	0	0	12	11.65%
19-60	18	21	3	3	45	43.70%
61-79	16	14	1	0	31	30.10%
80 & over	4	1	0	0	5	4.85%

Each column/row value is the number of households that are occupied by the number of people(column) in each age group(row). Total Households is the total number of households that are occupied by people of each age group. The sum of the total households is more than the number of questionnaires returned as many households are occupied by people of different age groups.

Question 4 : Do any members of your household have disabilities?

Yes	9	13.85%
No	56	86.15%

If yes, and they feel comfortable doing so, please tell us about any problems the disabilities cause.
Stroke related disabilities
House bound due to old age, bad legs
Chronic fatigue and reduced mobility.
Not comfortable.
Difficulty in walking.
Myself, have had two knee replacements. but knees are weak. But have a scooter to get about. I also drive.

11-20	23	34.85%
21 or more	20	30.30%
0-5	16	24.24%
6-10	7	10.61%

Question 6 : Is this your main residence?

Yes	63	100.00%
No	0	0.00%

Question 7 : Why did your household decide to live in the parish?

Quiet, rural, pleasant surroundings, clean and tidy
Right house at the right price
Born here
Peace and quiet away from the maddening crowd
Long term visitors and lovers of the Broads
Rural community
The house
I was looking to do a self build and at that time a plot in Beighton was 30% less than where I was living.
Work
Business reasons (Horticultural Nursery)
The house was good value.
Price of property OK, size of house and garden also, looking for a rural location having lived in central Norwich. Equal distance for husband and wife to travel to work.
Rural location
Affordability, style and not located in a built up area.
The house we live in was handed over to us by another family member
Bought a building plot here
Pure chance - we were looking for a house with an annexe for a parent
Through housing association (Broadland District Council)
Fell in love with area
To work in the church
Because of it's quiet and rural surroundings (spoiled during the Sugar Beet campaign)
Quiet location, ease of access to A47 Bypass, proximity to family
Because I was born here in the village and family members before me.

Liked the property and convenient for work at the time.
Like the house Location - close to place of work 'quick' (half of year anyway)
House went with husband job
Because I work here
I came back to farm the land previously owned by my grandfather and then my father.
Because it was an old fashioned quiet small village
Practically born here, wife (deceased) born in Parish
Location - A47 access - Norwich
We moved here for rural tranquillity and a slower pace of life.
Liked the house and area.
Suitable house. Nice area with open countryside.
We built our own house here.
Liked the house and been away from around this area for 10 years.
Wanted to live in the quiet countryside with space and walks
Work commitments
This is where our farm is situated
Quiet rural location within easy reach of Norwich
Because we chose to
We like the area there were two shops and the village hall was quite active, there was a community feel to the village.
The parish had nothing at all to do with our choice, it was the design of the house and it was a new house, not on a housing estate.
Easy access to Norwich but wanted to live in a village, countryside location.
Closer to main wage earners work place
Property we wanted
Liked the surroundings, moved away from a busy town.
Availability, price and rural nature of the village.
Conversion of semi-derelict building into our home. Closer to work and family.
Wanted to change our youngest daughter's school.
Nice location, but close by to good road links and equally distanced for both Norwich / Gt. Yarmouth.
Born here.
The countryside and within easy distance of Gt. Yarmouth and Norwich for husband's job.
Always lived here
For the peace and tranquillity. Used to live in Sprowston. Too many houses. Too over-crowded.
Wanted quiet village life, lovely rural village but close to Acle High School.

We just bought our house here
We moved here from Norwich 4 years ago, main reason we chose Beighton was the rural location.
Family and location

Question 8: What does your household like about living in the parish?

All the above plus friendly people
Quiet, views
It's quiet and there is nothing to bring trouble into the village.
The pace of life and friendly people
We love the peace & quiet.
The views, peace and quiet
Rural situation but has good road access to both Norwich and Great Yarmouth. Friendly neighbours.
Country side - always lived in the country
Close to family and easy access to Acle, Yarmouth and Norwich
Rural yet close to Norwich.
Quite location except for traffic rat run.
Rural location
Not being surrounded by other buildings. Fields surrounding the area and low crime.
Peace and quiet
Peaceful Rural views
Close to countryside Access to villages - while can still drive Village life
Easy access Norwich-Yarmouth, also Acle being handy
Being in the countryside-living in a rural setting
It is rural
Low crime rate
The quiet, the fact there is not a huge amount of development, it's safe for my daughter.
Peace and quiet
Peaceful-not many problems. Not likely to be houses built.
It's rural environment and proximity to Norwich and Gt. Yarmouth.
Close to Norwich and the Coast Plenty of space. Nice people
I enjoy the natural environment
I enjoy living in a parish where I spent lots of my childhood, and it's proximity to Norwich.
No street lights. Not noisy - apart from Beighton High road. No shops/pubs in the village. Small village
in his younger days, he looked after the playing field and football. Not much doing these days.
The view from our garden
Summer most enjoyable but winter B1140 dangerous with lorries and excessive noise.
Being in the country and central between Norwich and Great Yarmouth.

Access to walks across fields, not too far from the city. Low density housing and nice people.
It used to be quite and peaceful but not any more.
The area and the house
The rural character
Peace and quiet
Rural location peaceful and low crime
As above and no street lighting and rural views
Easy access to Norwich and Yarmouth.
It feels a very safe village to live in. No vandals easy travel between gt Yarmouth and Norwich
Quiet no street lights
Friendly, easy access to Norwich! Quiet, good walks and countryside.
Beautiful, country life, yet close to city of Norwich, and a friendly local community
Nice and quiet, lovely walks, close to main road but far enough away to enjoy the peacefulness. Norwich of Gt. Yarmouth close by. We love living in Beighton!!
We like being in a smaller community and the open fields all around us.
Rural nature (as opposed to town).
Quiet country living, non built-up area.
The rural location.
Not too built up, peaceful and rural.
Close to family.
Good walks in countryside. Near towns and Acle. Not too many houses.
Home / work
There is only me. My son lives next door. What more do I want.
Fields. Dog Walks and footpaths. Wildlife
Privacy
Everything!!! Peace and quiet, lovely dog walks, scenic views and only minutes away from A47 to get to Gt. Yarmouth or Norwich.
Rural, quiet & safe

Travel & Transport

The purpose of these questions is to find out if members of your household have any difficulties travelling to, from and within your village, and if there are ways they could be alleviated.

Question 9 : Do any members of your household have difficulty travelling to or from your village? If so, choose the frequency for the person who has the most difficulty.

Rarely	35	79.55%
Everyday	5	11.62%
Most weeks	3	6.82%
At least once a month	1	2.32%

If there is difficulty, please say to where and why.
Lack of public transport to Norwich
Cannot drive. Needs lifts to and from the train station and to friends.
We have to use or own transport.
Public transport for work Norwich and Great Yarmouth
No public transport i.e. bus service. Bus transport that did not operate to Norwich. Ran at bus companies convenience not the traveller.
There is no where else to write this comment. Beighton is at the extreme edge of the bus service to Yarmouth. Norwich buses only go as far as Lingwood. You can not get to Norwich by bus. If you take the Reedham circular you can get dropped off and Acle to pick up the x1 bus to Norwich but you can not get back to Beighton. Neither Yarmouth nor Norwich public transport system meets the needs of Beighton.
At times, problem getting out or crossing junction at white house to a47
If viable - daytime bus service to Norwich for shopping.
The bus route now takes too long to get to Yarmouth. Limited transport - have to rely on the car at present.
Bus service could be improved. No stops along Southwood Road. Usually have to drive teenagers to Acle to catch a bus or train.

Question 10 : If there are school or college age children in your household, where do they study? Choose all that apply.

Norwich	3	25.00%
Acle	3	25.00%

Question 14 : If your household has a car would you be interested in participating in a car share scheme? Choose all that apply.

Driver	4	50.00%
Passenger	4	50.00%
Organiser	0	0.00%

Question 15 : Is there a footpath that your household would like to see provided or upgraded?

From	To	Minimum acceptable surface, e.g. grass, ash, gravel, hard
It would be good to see safe access to the village hall = Chapel Road	Village Hall	safe crossing
Bridle path from Beighton - Moulton St Mary often overgrown - unable to walk through. Also path from Beighton village hall - Lingwood main road sometimes overgrown.		
Moulton St Mary	Acle	Hard
Beighton	Freethorpe and Cantley	Any of these..
Moulton.	Acle.	Grass or Ash.
Chapel road	Moulton	Grass, farmer never reinstates is after ploughing or harvesting etc.
Up graded Beighton village hall to Norwich road Lingwood, and chapel road Beighton across the field to sandy land /Morley road junction		Gravel, both Chapel road to Moulton footpath is always ploughed to a muddy mess in winter.
Beighton	Lingwood station or acle station	Grass
A footpath through the village of Moulton Moulton	Just to improve communications in Moulton village	Grass
The footpath from Moulton to Kissingcross is not always kept clear. Nettles are a problem.		grass
No footpath!!!		
We would like to see a footpath from the village hall to Stone Corner for Church and Graveyard use Too dangerous in winter with Cantley lorries		anything would be better than it is now
Beighton	Towards Strumpshaw/ Lingwood. Mostly kept well though was allowed to become overgrown	Grass OK

	earlier this year	
Beighton	Acle	Grass
Where the path finishes on Southwood Road near the houses	Start of Chapel Road	Any - just a safe place to walk rather than the road that cars travel quite fast along

Question 16 : Is there a cycle route that your household would like to see provided?

From	To
Beighton sports field - through village - Chapel Road	Cantley High Road - Reedham Acle village
Beighton	Cantley Lingwood
As above.	
Along the High Road / Coxes Hill Any point you could get off the road would be good	
Beighton	Lingwood / Freethorpe
Beighton to RSPB site, Buckingham station The Beighton high road is dangerous for bike riders during the sugar beet campaign.	
Beighton	Acle
Moulton	Acle
No – too old to ride a bike!	
Moulton	Acle
Beighton	Acle
Top of Southwood Road	Boundary Cottage and James Way
Moulton	Freethorpe and Acle
Beighton	Acle/Lingwood

Democracy

The purpose of these questions is to find out what your household know about the local authorities and councillors they elect to represent them, with emphasis on the most local level, the Parish Council.

Question 17 : Does your household know who the Beighton and Moulton St Mary Parish Councillors are?

Yes	23	34.85%
No	43	65.15%

Question 18 : Is your household aware of the issues the Parish Council deals with?

Yes	36	54.55%
No	30	45.45%

Question 19 : Does your household believe the Parish Council effectively represents your interests or concerns?

Don't know	28	43.08%
Sometimes	19	29.23%
Yes	14	21.54%
No	4	6.15%

Question 20 : Does your household know how the Parish Council makes decisions?

Yes	28	43.08%
No	37	56.92%

No	45	70.31%

Question 25 : Does your household have any issues or concerns which you would like the Parish, District or County Council to be made aware of?

Yes	20	34.80%
No	38	65.20%

If yes, please describe
Councils could e-mail minutes of meetings to those interested
Road conditions Vehicle speeds Planning concerns
Speeding motorists using High Road I would like a speed camera fitted or very regular police checks
It would be nice if there was a play area for children of Beighton and Moulton St Mary. Many children attend different schools and it would be a communal place for them to meet and may encourage them to get out of the house, walk and bike, if there was a focal point for them to walk or bike to.
Bus shelters
Speed of traffic on Southwood Road
What is happening with regard to the all year round planning for sugar beet lorries. The continual speeding of the lorries over 40mph limit - should be less anyway. Resulting noisier vibration to our house as a result of lorries.
Speed of traffic through Beighton, particularly HGVs
The County Council seems to be unable or unwilling to solve our problems.
Please note that annually I chair the Beighton Parish Council
Traffic public transport, no more development within village
Speeding issues. Would like to be on mains sewage
A bus shelter
Speeding on Southwood road.

Carn Close is not shown as an exit onto High Road, Beighton. Would be good if a new road sign could be put up as "Beet" lorries often think we are running into Southwood Road, not the small turning before.
Transport i.e. bus service.
We live on Chapel Road, Beighton. Since the opening of Southwood Hall we have noted an increase in vehicle traffic at weekends. People are dressed in wedding attire and when directions are put into a sat. nav. it directs people along Chapel Road as it is the shortest route. This is a simple track road with no passing places. Suggest 'access only' signs to be put up Also a weight limit as when HGVs come down it makes our house shake as the road was not built to cope with HGVs etc.
The speed of traffic on Southwood Road with a total disregard of the speed limit.
Speed cameras or flashing speed signs on High Road through Beighton. Grit box at top of Chapel Road by phone box. High Road to be re-tarmaced to reduce noise of lorries and the vibration of lorries going over bumps.
Speed limit along Southwood Road. There have been fatalities in one particular spot - cannot stress strongly enough how dangerous Cucumber Corner is. School children have to walk along this road at dusk. PLEASE LOOK INTO THIS.
Abbey Memorials building extensions house large marble cutting saw. Will there be soundproofing for noise protection. Playground for youngsters in the village (stil no outcome).
communication from the Parish Council to residents, PC needs to be more proactive. It would be good to have a play area/community area for local residents

Question 26 : Do any members of your household have difficulty getting to the polling station in order to vote in local and general elections?

Yes	3	4.55%
No	63	95.45%

If yes how do they think this could be made easier?
Postal Vote, which he has
Postal voting already exists

Communication

The purpose of these questions is to determine how your household finds out about what is happening in your community and whether this could be improved.

Question 27 : How does your household find out about what is happening in your community? Choose all that apply.

Other
Parish council leaflets sometimes appear through the door
The notice board is very difficult to view. I have to make a special trip up to it to see what's going on or even stop the car in front of the board to read what's going on which is very dangerous.
Parish Council Meetings
Fly posting on telegraph poles
Post Office in Acle.
Didn't know Beighton had a Facebook Page!

Question 28 : How would your household like to find out what is happening in your community? Choose all that apply.

Community newsletter (paper)	34		17.99%
Village notice board	28		14.81%
Community newsletter (e-mail)	26		13.76%
Church magazine (The Lantern)	18		9.52%

Other
Ashtree Road Moulton
Sugar beet lorries coming round corner near village hall at high speeds
Heavy traffic - speeding
Motor bikes are a particular problem on these roads, travelling at a ludicrous speed sometimes.
Coxhill Road - the sweeping bend from the Village Hall as road leaves the village towards A47. There have been accidents here.
Fast noisy motorbikes often at weekends
Daubers lane
Not a problem
Please see Q25. Lowering of speed limit due to there being no footpath as we have a high amount of dog walkers
No problems.

Question 34 : For each road where you identified a speed problem in Q33, which of the following measures would be the most effective way of slowing the traffic? Choose one measure (row) for each road (column) where you identified a problem.

1,2,3 High Road, Beighton however the sugar beet lorries have I proved this year. They are keeping down their speed and don't seem as noisy. It would be nice if we didn't have them but understand that the factory was there before us.
There have been many discussions regarding vehicles which travel to sugar factory, but this factory has been operating for 99 years and British Sugar attend parish council meetings to discuss any issues with parishioner. It is unlikely that the lorries will stop travelling through the village. I grow sugar beet, which obviously have to be delivered to the factory.

2 & 3 from about 4.30 am. High Road Beighton, sugar beet lorries. Seems to be a lot more lorries in the evenings up to about 10 pm some nights.
No problem. Commerce is necessary. The Sugar Factory was there when I bought my house - so no complaints.
High Road, Beighton. Heavy goods vehicles to sugar factory.
The road structures on some of the village roads they use were not built to take the excessive weight of HGVs.
Lots of sugar beet lorries going up and down for most of the day.
1. High Road, Beighton 2. High Road, Beighton 3. High Road, Beighton
A lot of care drivers don't pay regard to speed and motor cycles. The lorry drivers don't take no notice. They have to make arriving, don't they.
Sugar beet factory traffic starts 0400 hrs. Mon-Sat on Cantley High Road, Beighton. Sometimes ten 30-50 ton lorries following each other at speeds of 60-70 mph. During summer, motorbikes are doing 60-90 mph through Beighton. Vibration in the house from sugar beet lorries thundering past from 4 am. - 7 pm.

4 High Road 5 High Road
1) On Southwood Road from where the footpath ends to Chapel Road as mentioned previously The cars along this road travel too fast and do not stick to 30 mph. Cars travel too fast along Chapel Road for a single track which makes it unsafe for children
Acle Road, Moulton St Mary Tractors from outside areas. Problem crossing roads. There is a 30mph speed limit in place already
This occurs on the Acle (Back) Road (1,2 & 5)
As above.
5 High Road
If there was a footpath alongside the main road (High Road), I would use it.
All refer to no4 other refer to danger crossing B1140 to Village Hall/playing field from Chapel road.
4) Acle Reedham Road and Moulton 5) Moulton Nurseries
1 through Moulton village where I often deliver leaflets etc for the council 4 reflects the lack of footpaths to the bad visibility because the road is so windy

A foot path from village hall to church turn off.
You can't walk to Beighton's nearest village pub the Cantley cock along the b1140, no footpath, the speed and size of fourth ton lorries is intimidating and unsafe.
Speed of traffic, commercial traffics on high road and Southwood road.
3 , no street lights at all for all of Beighton 4 high road
No lighting at all High Road, Beighton
The main road through Beighton needs a footpath/cycle path.
High Road, Beighton 4 - Speed of traffic too high. 5 - Heavy goods speed.
On Southwood Road
Acle / Reedham Road, Moulton.
1. High Road to Cantley and Lingwood 4. High Road 5. High Road
No pavements in village of Moulton St Mary.
1. Would be nice for footpath on country lanes.
4. Speed on Southwood Road See attached letter.
4. High Road - sugar beet lorries driving well over 40 MPH.
Cantley High Road, Beighton - lorries passing pull you into the road. There are no street lights. Most traffic going too fast.
High Road Beighton = No safe link with Village Hall from Chapel Road

Question 39 : Would your household be willing to help with protecting or enhancing the local environment? If so, please provide details on the prize draw sheet. Choose all that apply.

Litter picking	13	35.14%
Address fly tipping	7	18.92%
Clearing overgrown foot paths/community areas	6	16.22%
"Village in Bloom" scheme	11	29.73%

Other
Too old
We litter pick sandy lane and daubers lane on a regular basis. We also take white goods, TVs and other fly tipped rubbish in daubers lane voluntarily,

Question 40 : Does your household believe there are areas that should be protected for wildlife?

Yes	36	73.47%
No	13	26.53%

If yes, please specify what and where they should be.
Where they are currently i.e. hedgerows etc.
Field hedges
Field borders, less trimming of banks good for wildlife and slows down traffic on Ash Tree Road.
As many areas as possible non specific.
Hedgerows and small wooded areas
Fields for rabbits and deer etc.
Any wooded areas
The hedgerows along the fields and an area created in the village to attract birds and wildlife
Maintain status quo.
I already have schemes in place on the farm.
Any available land close to village that could be made available as woodland would be good as house building has over taken any open spaces that used to exist.
Hedgerows - too many cut down to nothing
Margins of the playing field Churchyard
Wildlife habitats Wetland areas and woodland.
Field margins
There are already sufficient areas
Surrounding farmland, no further developments
More hedges to be put back and ponds to be reinstated.
Hedges and verges
The trees and hedgerows as there is lots of wild birds and we see bats and recently heard an owl.
Bring back the hedges.
Keeping fields for farm land rather than housing.
Hedgerows and fields around Beighton.
Sorry, don't know of anywhere.
Anywhere suitable - the more the merrier.

Activities & Recreation

The purpose of these questions is to find out what activities your household participates in, the amenities you use within the parish, and if you have any suggestions or requirements for new activities and amenities.

Question 46 : Does your household use any of the following amenities? Choose all that apply.

Moulton St Mary garden centre café	33	44.59%
Beighton village hall	27	36.49%
Beighton church	14	18.92%

Others
I rarely use the village hall but I have been invited to some events at the hall.
More support to keep the church open
Does "use" mean hire or attend the Village Hall
Cantley Cock PH
Moulton St Mary Garden Centre.

Question 47 : Do they meet your needs?

Yes	38	84.44%
No	7	15.56%

If not, please say why.
Too old fashioned
Beighton Village does not meet my needs as it is not a clean usable venue for children's parties or other events. It is cold and has large gaps on the base where the floor doesn't meet the walls. There are dead spiders in the cupboards. I prefer to use other village halls in the nearby areas that have better facilities such as modern clean/play-area attached to them.
If more was provided at the village hall we would use it more. I do not feel that there is anything for me to use.
Village Hall needs a ramp not steps for disabled permanently so as not ask.
I am urgently in need of a public house/drinking facilities.
But don't know how to contact village hall or how much they charge
The village hall doesn't seem to welcome new initiatives. The name of the person or persons who take bookings and hire charges are published no where.
More activities needed in Village Hall e.g. Yoga, Keep Fit, Quiz nights, something for younger generation.

Question 48 : What facilities would your household like to see provided at Beighton village hall?

Bar/Social Club
Modern, inviting village hall
None at the moment but if there were better facilities I would like to see a regular event for all people of the community such as coffee morning or jumble sale etc. or group for children in the village so they can meet up as many go to different schools and don't know other children in the village that they live in.
Total refit in kitchen including fridge and cooker.
Play area for children – swings
There is no play area for children so I need to travel to Freethorpe, Lingwood or Cantley by car. Other village halls have outside recreation which we do not so we have to use other villages which does not support building a community in Beighton.
Gym facilities/ Fitness class
Pub
Keep fit.
Handy if had a bar for functions.
Modernising the village hall so that it could be used by different groups eg for parties, meetings, charity events, sports groups, theatre groups and bands or choirs.

Yoga session once a week. Book swap facility
Play area for children
Keep fit, dancing, craft, painting, mornings afternoons, evenings, UEA lecturers, cinema, flix in the sticks!

Playing field	9		7.89%
Allotments	8		7.02%
Communal gardens	8		7.02%
Meeting room	5		4.39%

Other
Community bus - e.g. did a bus similar to one we've used in Woodbridge, Suffolk. It would benefit the people who have no transport and be a lot more flexible than the current bus timetable.
We already have a Village Hall and playing field.
Swimming pool Gym
Duck pond with seats
Dog walking area.
We have no where in Moulton for any of these facilities.
We have most of above now - use them.
Would love a secure dog park if there was an available piece of land.
Pub, shop, Post Office

Question 53 : Other than the playing field next to Beighton village hall, please say where a new community facility could be located?

Field of High Road
Land off Chapel Road, away from busy main road
Not needed
Near the church? Could the church and a new community building be linked?
Near the Garden Centre
Don't know!
Fields off Chapel Road along Cantley Road
All agricultural land. No amenity areas in Moulton.
Use the field on the left as you proceed down Chapel Road from the High Road. Currently this is farmed.
Near the garden centre in Moulton
Middle of village on high road towards Cantley on land hope well gardens side.
Lingwood side of High Road in front of the industrial units.
The field at Village Hall is not used so don't see need for a new one.
Somewhere in Moulton St Mary
Ppen land on high road - behind bus depot

Question 54 : Does your household consider All Saints church in Beighton to be your church?

Yes	39	61.90%
No	14	22.22%
We consider another church as our church	10	15.87%

Health & Welfare

Both villages of the parish are significant distances from an A&E hospital. In an emergency, like a heart attack, where time is of the essence, First Responders from Freethorpe or Acle may be sent to administer life saving aid to the patient. However, they may not always be available. The purpose of these questions is to see if any parishioners know how to administer CPR, use a defibrillator, or want to be trained to do so or be a First Responder.

Question 55 : Do any members of your household know how to perform Cardio-Pulmonary Resuscitation (CPR)?

No	27	42.86%
Yes	25	39.68%
No but would like to	11	17.46%

Question 56 : Have any members of your household been trained to use a defibrillator?

No	41	66.13%
No but would like to	16	25.81%
Yes	5	8.06%

Question 57 : Would any members of your household like to know more about being a First Responder?

Yes	3	4.92%
No	58	95.08%

Question 58 : Does anyone in your household need help with services of any kind? If so what might these be? Choose all that apply.

Yes	2	3.70%
No	52	96.30%

If yes, please provide details	
Possibly - depends what type of business	
This will provide local jobs.	
maybe - happy to support local enterprises where appropriate	

Question 64 : Does your household know of any initiatives that would benefit your community?

Yes	7	14.29%
No	42	85.71%

If yes, please provide details.	
Community bus - 'dial a bus'	
The church could be used as a meeting place, teas , coffees, play area like Blofield Church. The phone box could be used for something else, some villages have turned them into libraries! A Scheme to help the elderly in the village Be-friending, meals on wheels etc.	
Calor gas group purchase?	
A bypass	
Good Neighbour Scheme	
Befriending scheme for the elderly or new mums.	
More use of what is already available.	
Supply Cantley sugar beet factory by river.	
Community Watch	

Question 65 : Are there any other issues or comments your household would like to make which have not been covered by the questionnaire ?

Social committee
No more building (houses) in Beighton.
This questionnaire gives little idea of what a Parish Plan might look like. Bearing in mind Q66 seems to suggest that the next step is the finished plan. How do we get to see the draft plan before it is finished? If the plan includes the development and unemployment of the village, why are there no questions about attitudes to new housing?
The village can appear a bit unkempt at times due to scruffy hedging and messy roads and no foot paths to help this but generally apart from the amount of traffic and speed its is fine.
If anything was to go ahead or change within the village, would we be informed first of how much if any change this would make to our community tax as at present Beighton that has nothing compared to other villages has a high community tax which is hard enough to pay now without it increasing?
Qu 35 & Qu 57 answered No only due to work. Thank you for giving us the opportunity to voice our opinions and give feedback regarding life in Beighton. As residents of Southwood Road, just after Donkey Dip we do feel a little bit out of the community. This is made more apparent when the motorists speed out of the restricted speed zone in the main village and then roar past our house. The relative safety at the top of Southwood Road diminishes the further they travel Dow. The road. Interesting the speed restriction extends way past the end of the built up area but not as far as the last houses in the village, namely ours and our neighbours??!!?? We love the area but find it astonishing that cars are permitted to go so fast past houses occupied by children and considered part of the village. Our son meets the school bus at Abbey Memorials but because of the traffic speeding problem and lack of footpath there is no way we. Could allow him to make his own way to and from the bus stop. I would love the parish council to explain the thinking behind the positioning of the restricted speed signs and whether they consider the houses and farmhouse at Cucumber Corner as part of the village, I would suggest ALL properties should have the same protection from one of the biggest risks to our safety. Perhaps dialogue could begin to address this obvious oversight. Please allow us to be part of Beighton and the lovely community and location we are so lucky to enjoy, without the fear of having the front of our cars wiped out as we leave or drive or even worse our children and animals hit at 70mph by residents of Freethorpe and Reedham speeding through OUR village. (Address provided, but not input)
We are elderly, but try to support any village activities
I do not feel that Beighton has a community and it's more village people pass through. There is no 'hub' to the village and many. People don't even realise it is here, even though they have lived in neighbouring villages for over 30 years! Freethorpe has a strong community, Beighton is a village I feel quite isolated in even though there are lots of people who live here. I think it has great potential.
Since when has Peacock Corner been known as Reedham Road, it's always been Acle Road since I was born 68 years ago. This could be a problem for "Emergency Services"
There isn't much of a sense of 'community' - a new focus/new village hall and associated activities would invigorate the whole comment.
I have previously given my details to help with a speed watch but nothing has been done about this. Why?
Despite Moulton's close proximity to Acle it can feel quite isolated because it does not have any amenities nor the safety to walk to them. Beighton is also similar and more spread out. They do not feel like villages at all. Freethorpe and Reedham are more acceptable. Would prefer an LPG scheme for fuel

not oil.
Public footpaths need to be better maintained. Shrubby overgrowth needs to be cut back and paths on fields should be reinstalled after ploughing.
I can see the residents of Beighton giving a more positive answer to this questionnaire, however we live in the country because we are country people and Moulton has nowhere for specific facilities. Apart from a post box and a redundant church we are quite isolated. No one in our household is in very good health and we would love peace and quiet which was how the area was in the 1980's when we moved here, but it seems that it will never be so again.
No further developments, pavements or street lighting means retained rural feel and look.
A good bus service and zebra crossing on High Road, Beighton.
Viability. Cost. Removal of unnecessary signs: e.g. "New Road Surface" near Coxhill Bridge. "Southwood Hall" and "Historic Church" at junction of High Road and Southwood Road.
My husband and I moved out here. I hope it keeps like it is now but the only thing there should be is a better bus service in the village. I don't use the buses because I take my dog everywhere with me. My car takes my scooter. I love it out here. I am a widow.
