Council/Meeting

Respective responsibilities of the body and the auditor

The body is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The body prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2015; and
- confirms and provides assurance on those matters that are important to our audit responsibilities.

Our responsibility is to review the annual return in accordance with guidance issued by the Audit Commission (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor's report

Except for the matters reported below, on the basis of our review, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the council:

1. The Council relies on the work of Internal Audit to inform its preparation of Section 2 of the Annual Return, the Annual Governance Statement. For 2014/15 the Internal Audit report is dated after the date the Council approved Section 2 of the Annual Return. In future the Council should ensure that it receives the Internal Audit report before it approves Section 2.
2. The Council's cash and bank reconciliation submitted as part of its Annual Return for audit review was incomplete. The Council needs to ensure that it provides a comprehensive reconciliation for audit review.
