# Newsletter

Welcome to the newsletter for Drayton.

## Message from Inspector Rob Wicks

"Welcome to this month's newsletter. This month has seen some warm weather and the change to British Summer Time. Whilst it is lovely to be able to have windows and doors open, please ensure that you do not leave yourself vulnerable to crime by ensuring access cannot be gained to your property. The light evenings also tend to lead to an increase in complaints of anti-social behaviour, if you are adversely affected by the behaviour of others please do not hesitate to contact my team and we will look to address these issues. Over the last few weeks there has unfortunately been an increase in burglaries at business premises, in the event you witness any suspicious behaviour please contact us either by dialling 101 or in an emergency 999. If you would like to join us as a Special Constable or Volunteer and become part of our team then I would be interested to hear from you. We value the contributions that those within the community can offer in whatever capacity. Thank you for your ongoing support."

## Broadland Engagement Officer PC Vicky Bailey

We are continuing to receive reports from Broadland residents about telephone cold calls claiming to be from BT. Your personal information - your name, address and bank details - is very valuable to criminals. To stay safe, always:

- Shred or tear into small pieces anything with personal information on it before you throw it away or recycle.
- Be very wary of unsolicited phone calls, letters or emails from your bank asking you to confirm your personal details, password or security numbers.
- Don't click on links sent in emails unless you're sure you can trust the person who sent them.
- Never reply to unsolicited texts, emails or letters. If you do, you may be put on a scammer's 'suckers list' and targeted in the future.

If you have received a telephone cold call which you believe to be a scam you can report it to Norfolk Trading Standards via their partners the Citizens Advice consumer helpline on 03454 04 05 06.
